

*My name is Xinhui Zhao (Can also call me Jenny) and I am from China. Now I'm studying in Sweden. I am 14-year-old, study in Grade 7 in Adolf Fredrik's music school in Stockholm. I love playing piano and started to play piano when I was seven. I think playing piano is very fun and meaningful. The joy from producing beautiful harmonies and melodies is absolutely the best things on earth! I have also a lot of other hobbies, such as: reading, singing, dancing and swimming. All this hobbies make my life colorful.*
