

Biography:

My name is Ching-Ying Lee, a junior student majoring in Double bass in Shanghai Conservatory of Music. I am an avid musician with a passion for classical music and the Double Bass.

My journey with classical music began at an early age. I started learning piano at the age of 5 and over the years, my love for music has only grown stronger. The Double Bass, in particular, has always fascinated me with its deep and resonant sound, and I have dedicated countless hours to mastering this beautiful instrument.

As a current student at the Shanghai Conservatory of Music, I am honored to be a member of the school's orchestra and collaborate with other talented musicians in quartet and duo performances. Through these experiences, I have gained a deeper understanding of the art of music and the importance of teamwork and communication in creating a successful performance. The experiences have also exposed me to a variety of musical styles and genres, which has broadened my horizons and enriched my appreciation of classical music.

In January 2023, my double bass Duo won the Gold Medal for Duet Group 2022 in the Franz Schubert International Music Competition.
