

Mathea is 12 years old. She has been playing the saxophone since she was 5 years old. For the last 2,5 years she has participated in a talent group in the music school. For one of those years she played in a saxophone quartet. Now she plays in a duet with a clarinetist.

The last year has been hard because she has been struggling with long covid, but slowly and steadily it improves.

Mathea has participated in SIMC online once before, but this will be the first time in Stockholm.

She has also played in other competitions in Norway.
