Skola: Kristinebergsskolan

My name is Oscar and I am 9 years old. I like music very much because it brings me peace. I started to study with Huang Ziyi when I was 7 years old, and I started to learn piano with Ivetta Irkha when I was 8 and a half years old. Ivetta is a great Ukrainian pianist living in Sweden. She told me many stories about pianists and learned the theoretical knowledge of piano. It also made me come into contact with more Ukrainian composers, I am very happy. This is the first time for me to participate in the Stockholm International Music Competition, and there is a song by Ukrainian composer Oxana Krutde: The bid golden fish. I hope I can complete it well, cheer for Ukraine, and cheer for myself! Good luck with this competition too!

Thank you so much!
