My name is Keijo (Chen Yong Hu), and I am a nine-year-old happy and energetic boy. When I was little, I loved sitting on top of my grandpa's piano, watching him play. Fascinated by the beautiful sounds, I began learning to play the piano myself at the age of five. Piano practice has brought many challenges, but every small step forward has filled me with a great sense of accomplishment. Music makes me happy and has become an indispensable part of my life! Besides piano, I also play violin and love sports, singing, dancing, painting, and acting in dramas.
